## Objective

Passionate and dedicated individual with a strong interest in technology, video games, and books. Enthusiastic about learning new cultures and expanding my knowledge base. An active participant in track and field, specializing in long jump and triple jump at Western Oregon University. Eager to apply my diverse interests and skills in a dynamic and growth-oriented environment.

## Education

### Associate's of Arts Transfer Degree

*Mt. Hood Community College, Gresham OR*

*Graduation Date: **June 2022***

*GPA: **3.7/4.0***

*Honors: Dean's List*

## Work Experience

### Cashier

*Popeye's Restaurants - Gresham, OR*

**March 2020 - April 2020**

- I worked as a cashier in the Popeyes restaurant. My responsibilities were to take orders along with packing food for the customers as well. I also cleaned the dining hall and made sure customers felt welcomed.

# Leadership & Volunteer Experience

## Team Lead for VR Game at MHCC *Spring 2022*

- I was the team leader for one of our final projects in our class. I was also the head 3D model designer. I directed a team of individuals to create a fully functional VR Game for a final project.
